File No.

SUBJECT.

Grant of Sandalwood to the Muzrai Institutions.

From

The Deputy Commissioner, Shimoga &c.

Letters Nos 870/144 & 906/148 dated 9th & 16th April 1907

In the Inam settlement of 1880 the grant of Sandal wood to certain Muzrai Institutions in the Province ~~which were based on the~~ (which were enjoying the grants under the authority of Sanads granted from time to time) was confirmed in kind. The quality and the quantity of the wood to be supplied to the Several Institutions was also specified then. Owing to ...

is being provided for in the Muzrai Budget on account of the Sandal wood allowances to the Muzrai Institutions, This amount is the value of the Sandalwood calculated at the rate prevailing in 1880, & a few years after. As the rates of Sandalwood varied, a year after year a small excess was incurred over the Jasdik allotment for Sandalwood & this was being adjusted in the accounts by debiting the Charge to Muzrai Surplus Funds. As the head Muzrai Surplus Funds was abolished in Govt. Pro: No 2892-94 Muz F 5-96 dt 19th March 1904, the excess incurred over the Jasdik allotment on account of supply of sandalwood had to be ~~from the~~ Charged to the Savings of the respective Institutions.

The Deputy Commissioner Shimoga Dt. now reports that a Sum of Rs 132-13-9 & Rs 141-4-1

being the excess over the Sanctioned allotment for 1905-06 & 1906-07 respectively, have now to be adjusted & request that increased provision might be made in the Muzrai Budget in future ~~considering~~ in consideration of the fact that the present ~~rates~~ of sandalwood ~~have~~ has considerably risen -

Similar provision has also to be made for the other Districts also if the quantity specified in the Sanads & confirmed in kind during the Settlement is to be continued to the several Institutions which are enjoying the grant

This office No 16 dy 6/7/07

The Comptroller was requested to favor Govt with his opinion in the matter of meeting the excess incurred over the Jandis allotment on account of Sandal wood allowances to Muzrai Institutions.

His No 650 dy May 20 1/8/07.

He states that as directed in para 2 of Govt. Pro: No 1165-R.-112 of 17th July 1877 the excess should be defrayed from the balances at credit of the Institutions but where the Institutions are under the management of private individuals or bodies, the excess amounts should be recovered from the Surplus in the hands of such managers.

The Deputy Commr, Shimoga

This office No. 5778 dy 23/5/08

It was informed accordingly.

File No. of 190 Muzrai Secretariat.

in the case of others which are only two - viz - the Sri Krishna devaru temple at Udipi and the Sri Raghavendra Swami Matt at Nanjangud - it is not possible to adopt the course suggested, as the 2 latter institutions are not under Govt management. According to the Sanads, full quantities of Sandalwood as fixed by the Revn Department have to be supplied and the question of meeting the extra cost involved has to be considered.

Submitted for orders

3 From the Dy Comr, Shimoga Dt No 684/97 dd 23d Jan 1909. States that a sum of Rs 9257 has been allotted for the supply of Sandalwood according to the rates that prevailed nearly 40 years ago and that it was only the quan of Sandalwood that was confirmed by the Imam Deptt in the case of each Institution with reference to the requirements for the regular performance of puja therein — and recommends that according to the terms of the grant, the Institutions concerned may be allowed to have the quantities specified in the Samanadu, the value of current rates being debited to the Inam Deptt and credited to the Forest Deptt by book adjustment.

Under Secretary's order.

NOTE—Contn. sheet.

GPB—50,000—18-5 08

for the sake of convenience & for facility of reference, I have separated the whole file into 3 portions — one portion dealing with this reference relating to Shimoga Dt. (current file) the 2nd to the Mysore Dt. (254 of 1906-7) & the third (File No. 369 of 1907) to the replies from the Dy Comrs to a circular issued from this office calling for information regarding the quantity ~~issued~~ of sandalwood issued to the several Institutions in those districts.

The Inam settlement of 1880 confirmed to certain mutt: Institutions in the State the grant in kind of sandalwood which they were enjoying under the authority of Sanads granted from time to time as also the quantity & quality of the wood to be given. For this purpose, a provision of Rs 1430 — is being made in the State Budget every year. Till three years ago this amt seems to have been allotted to the several Districts in proportion to the value of the wood allotted to the several institutions in those districts, calculated according to the market rate of the wood at the time of the Inam settlement ie in 1880

NOTE—Contn. sheet

GPB—50,000—12-8 10

NOTE—Contn. sheet.

GPB—50,000—12-8 10

This practice of making a distributive allotment has now been discontinued for some reason or other; nor does it seem possible now with the same amt. provided for the purpose in the budget. This is especially because the cost of sandalwood suffers a change year after year. The same quantity of the wood of the same quality may cost more this year than last year. This is what happened in the case of the Shimoga Dt. Against a sum of Rs 925- allotted to the District of Shimoga for the supply of sandalwood to the several mun. Institutions there, the sums of Rs 1057-13-9 and Rs 1066-14-1 were incurred by the Dy Comr for the purpose in the years 1905-06 & 06-07 respectively, thus exceeding the allotment by Rs 132-13-9 and Rs 141-4-1 in those two years. The Comptr having brought to the excess under objection, & being asked as to how the excess could be adjusted in the absence of any savings at the credit of the institutions, he replied that the excess should be defrayed in the case of institutions under Govt. management from the balances at the credit of the institutions or in their absence from the. Where the institutions are managed by private bodies, from the surplus in the hands of such managers. But the Dy Comr pointed out that as it was the quantity of the wood & not the value thereof that was confirmed by Inam Deptt it would not be just to require the mun. Institutions to pay the excess from the surplus at their credit, and in a later Comm^r

* This is in conformity with Mr Somerset's suggestion, & approved by Govt in their order No. 1165 & 17.7.77 112

comm.
~~letter~~ that the value of the wood to be supplied was fixed nearly 40 years before, and that such values cannot now hold good. He suggested that it was proper to give them the quantities of the wood granted in the Sannads, so that the value according to the prevailing rates may be paid as per G.O. No. 1165/112 of 17.7.77

The question of sanctioning the excess incurred for 1905-06 & 06-07 ie Rs 132-13-9 and Rs 141-4-1 is still pending decision

Vide my pre Dist. File
File 25 of 1906

The same thing has happened in case of Sri Raghavendraswamy matt at Nanjangud A sum of Rs 20 is allowed for the sandalwood allowance for the matt, but for some years past, a sum in excess is being incurred by the Dy Comr, and it was about the supply for 05-06 that the Comptr took objection to an excess of Rs 13-12-0 paid to the matt for the purpose which he said could not be debitable to the sandalwood provision of Rs 1430 but some source from which this excess could be met should be pointed out He also suggested that a cash grant of Rs 20 per year might be given to the matt instead of year after year incurring extra expenses on this account, which it would be found difficult to adjust.

A statement (Printed) showing the institutions which are entitled to sandalwood allowances, the quantity allowed, and the old rates per maund of the Distinct wise allowances

5. Attention is invited to the following points in the replies received from the Dy Comrs of Dts

1). In respect of certain institutions in some districts, no sandalwood allowances have been drawn for certain years owing to there being sufficient stock of sandalwood in them. (Eg in the Chennakesava Swamy temple in the Belur Taluk)

2) In respect of the Sri Uttaradi matt, Rs 45- provided for it is being credited to the funds of the matt as the Swamiji has long been absent from the Dt.

3) In the case of Sri Vyasaraja Swami matt, this allowance has not been drawn at all since 1902 - the Swamiji is however now applying for the same.

4) The Sri Ranganatha Swami at Magadi has not had its supply at all.

5) The institutions in the Kadur Dt had not been supply in 1905-06, but had it in 06-07

6) In respect of the Sri Kanteswara Swamy temple at Nanjangud, the amildar suggests that instead of 20 maunds allotted for it, only 15 mds at a cost of Rs 130 would be sufficient.

6. In view of so much irregularity in the matter of supply of sandalwood to the various Muzrai institutions in the State, I have caused

NOTE—Contn sheet

GPB—50,00 1—12 8 10

seem fair for adoption —

1) The supply of sandalwood itself in kind to the extent specified in the original Sanads granted to the several institutions & as reproduced in the printed statement furnished by the Comptroller. In this case no budget provision under misc: will be necessary.

2) The budget provision of Rs 1430 being retained the same as it now is, a redistribution thereof among the institutions on a consideration of the actual amt required for use in a year. This may be calculated on the average of 3 or 5 years consumption

3) The quantity allotted being the same, the market value (x) thereof for the time being, in which case the budget allotment may have to be changed year after year (as is suggested by the Dy Comr of Shimoga Dt)

4) allotment of a fixed cash grant in lieu of the Sanadan Quantity of sandalwood granted. (as suggested by the Comptr in the case of the Sri Raghavendraswamy matt at Manjaiguni). The cash grant so fixed may be arbitrary or the same as the value of the wood fixed at the Inam Settlement of 1880

5) To have the budget provision of Rs 1430 or any other sum (but slightly in excess of this) in the hands of Govt like the State grant, and pass bills within this amt for sandalwood supplied in the mean. Deptt keeping to the proper quantity & timely supply of the wood to such institutions as are in need of it. -NOTE—Contn sheet

(x) This is supported by the Chief Comr's order No. 1165/112 dt 17.7.77

in the matter of the sandalwood allowances due to them -

Submitted for orders.

BL

17.11.10

A draft of an order in the lines indicated by the underlined has been put up. I would however solicit a consideration of the following points in this conn^n :-

1) The chief conn^l order 1877 is practically superseded by the Mysore settlement of 1880 which prescribed that "quantity of wood" to be given to the institutions in question.

2) In the case of institutions other than the two mutts (viz Sri Vijayanagara & Sri Raghavendra Swamy mutts), the quantity of wood to be issued according to this draft order is less than that apportioned by the Mysore settlement of 1880, which means an amendment of this settlement.

3) When the Comptr made the suggestion pointed out in para

NOTE—Contn sheet

GPB—50,00 ›—12 8 10

Serial No.

papers above that a cash grant may be paid instead of the quantity of wood now being given, he does not seem to have had the advantage of the Dy Comrs' views on the matter.

It may be a matter for consideration whether his unofficial opinion may not be obtained ~~on the matter~~ in the light of the Dy Comrs' views.

Submd for orders.

RC
11/11

Note by the Muzrai Superintendent & Under Secy.

The draft that I have put up explains, I believe, the facts clearly. Further detailed information is given in this Note.

From the list sent by the Inam Superintendent with his letter No. 6 dated 14th July 1896 upon which the Muzrai Department list is based, it will be seen that 20 Institutions were dealt with by the Inam Department.

In the list furnished by the Comptroller with his letter No. 448/19 dated 9th Febr., 1907, 32 institutions are referred to. This letter

May A
B
C
D

GPB—50,000—12 8 10

etc.

Serial No.

difference is due to giving six serial numbers to the institutions of the Harihar Sub-Taluk while the Inam Department gave only one number , to the omission of the Mollur or Thirthahalli Chattram and to the inclusion of the institutions noted below:-

(1) Sri Lakshmi Narasimhaswami temple at Devarayadurga.

(2) Sri Srikanteswaraswami temple at Nanjangud.

(3) Sri Ranganathaswami temple at Seringapatam.

(4) Sri Narayanaswami temple at Melkote.

(5) Kudli Sringeri Matt

(6) Satyadharmaswami's Matt at Holehonnur

(7) Bheemeswara at Bhimanakatte.

(8) Nilakanteswara at Nagar.

Of these the first is, strictly speaking, not entitled to any special grant for sandal-wood. The remark in the list received with the Deputy Commissioner's letter no. 964 dated 3rd Sep 1891 clearly shews that the grant for sandalwood

GPB—50,000—12 8-10

Serial No.

formed part of the cash grant of Rs. 847-6-0 of the institution.

The same may be said of the Sri Srikanteswami temple also. The order referred to in column 3 of the Comptroller's list does not say that the institution is entitled to a special grant for sandalwood. There is more than one Government order in the case of this temple to the effect that the cost is to be met from the savings of the institution (Vide, Govt: Proc: No. 785-6 dated 30th January 1896.

Govt. Order No. 616-7 dated 29th November 1898.)

The Deputy Commissioner has also in his letter No. 325 dated 1-6-1904 proposed that the cost should be met from golka collections.

As regards the Seringapatam and Melkote temples also, the order noted in the list does not say that they are entitled to special grants.

The claim of the Kudli Sringeri Matt has been admitted by the Inam Department in 1906 and it is held to be entitled to 10 Maunds of sandalwood of the 4th class. From the remark in the list

NOTE—Contn. sheet.

GPB—50,000—13-5 08

Seria
No.

received with Shimoga Deputy Commissioner's letter
No. B dated 7th September 1891 it is clear that
the sandalwood allowance of the Thirthahalli Chatram
has been divided between the Bhimanakatte Bhimeswara
and Nagar Nilakanteswara temples.

There are no recent orders about the Hole-
honnur Satyadharmaswami Matt.

The Inam Department have mostly settled
sandalwood in kind. In some cases they have speci-
fied the quantity and value of the sandalwood. In
the cases we may fairly take the value as what
the institution is entitled to.

In the cases where the quantity
only is specified it is nothing but fair that this
quantity should be claimed by the institutions.
So far as these institutions are under Government
management there can be no difficulty. The excess
can be met from savings as directed in Govt. Order
No. 1165/R.F.112 dated 17th July 1877. Of such
institutions not under Government management i.e.,
the institutions noted in the
margin

GPB—50,000—12 8 10

Serial No.

..Nanjangud Matt	margin, the Uttaradi

quantities of sandalwood and in their case neither of the proposals of the Comptroller can be sanctioned without giving room for complaint . We have to provide the money for the quantity of sandalwood specified.

If a new grant can be sanctioned there is nothing more to be done. If this is not possible we have to see how the Budget grant can best be re-distributed. I took some time in thinking over this matter and then instructed the office to put up a draft cutting down the allowances of some temples and making some money available for meeting the excess. It is suggested by the office that this will be a revision of the Inam Settlement. I have again gone over the entire file and find that the doubts suggested by the office are groundless.

NOTE—Contn. sheet.

GPB—50 000—18-5-08

Serial No.

The three temples whose allowance I propose to cut down did not establish their right at the Inam Settlement and the Inam Department has not said that these are entitled to a specified quantity of sandalwood . Reference is also invited to the remarks about the temples at page 75 above. They are well -endowed by Government and it is clear that they do not require every year the quantity now provided. Thus a reduction of the amounts is quite justified. I therefore propose the reduction noted below:-

	From	To
Nanjangud temple	₹ 170	₹ 50
Seringapatam temple	70	50
Melkote temple	69	29

If out of the Rs. 200 thus saved any amount should remain after satisfying the demands of other institutions, it can be used for supplementing, if necessary, the grants of these three institutions.

There is a standing order to the effect that these amounts lapse to Government if not drawn in time. This cannot be applied to the

Chief Comm's order Vo. 3088/36 dt 5.9.72 to the Superintendent of Nagar Division Flag. K

NOTE—Contn. sheet.

GPB—50.000—18-5-08

Serial No.

cases of the Nanjangud Matt and Udipi temple as applications have been repeatedly made. The Nanjan-gud Matt has also borrowed from the Nanjangud temple. So the arrears due to these institutions have to be fully paid. In paying to the Udipi temple, care should be taken to settle the claims of the several Paryaya Swamis who were in charge of the temple. If they should have purchased sandalwood for use we may even give them money.

To the Nanjangud Matt the supply may be in kind.

The Vyasaraya Matt appears to have moved Govt now for the first time for sandalwood. We may give them from the current year.

I have said that the money should be placed at the disposal of the Muzrai Superintendent as the institutions are in different Districts. I have referred to March as the month in which sandal is to be distributed as their transport is easy and the biennial Paryaya at Udipi will be over in January.

To avoid lapses I have said that

GPB—50 000—13-5-08

Serial No.

the money allotted to each institution under Govt management should be added to the tasdik and credited to the institution at the commencement of each year.

It only remains to add that of the institutions referred to in the list submitted now by the Deputy Commissioner of Shimaga, some are under Government management and some not.

allowed.

2nd Councilor)

16/5/11

I do not understand the Conservator's difficulty. Some departments seem to think that they are constituted owners in fee simple of Govt. property entrusted to their management. I think the plan suggested by me is the simplest to work & the most equitable. The sandalwood should be given in kind. Please amend the draft by stripping it of all unnecessary matter & verbiage and submit for approval very early. It should go up to the Darwan.

Extract from the Proceedings of the 26.6th Meeting of the Council of His Highness the Maharaja, held at Bangalore on the 6th & 7th July 1911.

12. Subject. -

Question of directing the supply of a kand of sandalwood to be drawn by institutions entitled to the free grant thereof under the Instruction of 1 0.

OPINION OF THE COUNCIL.

The draft order may be approved.

Sd. T. Ananda Row.
Dewan of Mysore.

"Extract"

T.S. Balasundaram
Offg Secretary to Govt.

Revenue File No. 157 of 19 1911 1-7-18

Serial No.

The matter was considered at the Council meeting held on the 7th July & the draft was generally approved - It was directed that Br II should be consulted as to the manner in which the issue of Sandalwood to the institutions entitled thereto under the Inam settlement should be shown in the accounts as between the Forest, Inam & Muzrai Depts.

[It may be observed that the issue being an inam, the ~~final debit~~ item may be perhaps ~~should~~ be shown ~~like~~ 'Malnad Land Inam Payments' are shown under 2 C - Land Revenue - (7) Assignments -]

As 'assignments' under 3 Forests just as H. Inams 5a

Br II.

9/7/14

Submitted
M-36
13/7

In Para 2 of the proposed Ltr it is stated that the F&E Deptt will supply the wood on Indent and take Credit for its Value. As the issue of Sandalwood to charitable & religious institutions is really an addition to the Cash issue, though Confirmed by the Inam Settlement, the Muzrai Deptt must bear the Cost.

It is not possible, without [illegible]

NOTE— Contn. sheet.

GPB—50,000— 12 8 10

Serial No.

the very principle upon which the Forest Deptt is constructed, to cut these points as arguments in the Forest Deptt itself. The Forest Deptt is a quasi-Commercial one and the functions of this deptt" accord with the ordinary idea of a Govt" and can therefore charge any other deptt for services rendered or articles supplied in the same way as it would charge a member of the public

It is therefore respectfully submitted that the Municipal body is to enter into a Contract for a term of years at a time with the Forest deptt for the required quantity of the main wood at a price mutually fixed and provided for in the budget estimates of the Municipal deptt. There should also be any reason for adjustment while after the expiry of the fixed period the prices do may be varied at the discretion of the parties or the Contract extended for another term of years.

In this Contract the temples which are not entitled to free wood under the present standing shall be place. They should buy the wood direct or through the Municipal deptt and should pay the proper market value as if they were private purchasers & there seems to be no reason for such transaction passing thro' two accts.

Yours truly

Note— Contn. sheet

GPB—50,000—12 8 10

27.7.14

Serial No.

As suggested by the asst Secy II, the ~~last two Sentences in~~ wood to be supplied to the institutions in list A will be bought by the Mines Dept from the Forest Dept, the price being fixed for a term of 5 years at a time, + due provision being made in the Mines Budget.

The price of the wood to be supplied to the institutions in List B will not find any entry in the State budget, but will be arranged for by the Mines Supdt as administering the affairs of these institutions.

The required amendments are noted on the margin of the draft in red ink.

Submitted to His Highness.

These papers relate to the supply of sandalwood to, the several Muzrai Institutions in the State.

2. The Inam Settlement of 1880 confirmed to the several Muzrai Institutions mentioned in List A, the grant in kind of sandalwood which they were enjoying under the authority of Sannads granted to them from time to time specifying the quality and quantity and in some cases the value of the wood to be given. In addition to these, certain other Muzrai Institutions, specified in list B, which possessed no such sannads but which were being supplied with sandalwood from the funds at their credit, appear also to have been included in the list of Intitutions entitled to the grant, though no authority is traceable for such inclusion.

3. In order to meet these demands, a provision of Rs. 1,430/- is being made in the Muzrai Budget every year since 1892, the said amount being calculated on the prevailing price of sandalwood at the time of the settlement. This allotment is being distributed among all the Institutions according to their established rights or their requirements.

The

The price of sandalwood having, however, risen considerably since 1892, it is found that the provision is inadequate for supplying the specified quantity of sandalwood to all the institutions which actually possess Sannads for the grant. As this gave rise to complaints from certain Institutions such as the Raghavendraswamy Matt at Nanjungud and the Krishna temple at Udapi, the matter was enquired into and discussed in Council.

4. The accompanying draft which has been agreed to by the Council may be approved.

To

The Secretary to Govt. of Mysore,
Gl. & Rev. Departments.

Sir,

Adverting to your letter No. 4403 dated 8-3-07 and subsequent communications ending with your docket No. 20 of 5th July 1909 regarding the allotments for the Sandalwood allowances of certain Institutions in this district, I have the honour to state that from the reports herewith submitted it will be observed that the Sandalwood required for the Institutions in question was not purchased every year but according to the requirements after the stocks were exhausted.

In the Sriranganaswami Temple at Melkote 13 3/4 mannes 6 3/4 of Sandalwood costing Rs 1191- are reported to have been purchased with the special sanction of Govt. during the last

and that no excess was incurred.

In 1906-07, 63 lbs of Sandalwood are reported to have been purchased for the Sri Ranganathaswami temple at Srirangapatana and that the budget allotment was not exceeded.

The Amildar of the Ranjungud Taluk reports that the marginally noted quantity of Sandalwood was purchased for the Sri Sri Kanteswaraswami temple in 1899, 1904 and 1907 and that no excess was incurred.

He further reports that 15 mds of Sandalwood per annum appear to be sufficient for the use of the Sri Sri Kanteswaraswami temple and that the allotment may be reduced to Rs 130/- per annum. His report is herewith submitted in original for reference.

The Sri Vyasarayaswami Matt at Sosale is reported to have not been supplied with Sandalwood since 1902.

As the Amildar of the Ranjungud Taluk suggests that only 15 mds of Sandalwood would be sufficient the allotment for the Sri Sri Kanteswaraswami temple may be reduced to Rs 130/- per annum.

[illegible]

No. 684 Dist.
M.97

Shimoga District
23rd June 1909.

From M. Narain Rao Esq.
Deputy Commissioner
Shimoga District

To C. S. Balasundaram Iyer Esq. B.A.
Secretary to the Government of Mysore
General and Revenue Depts.
Mugrai branch.

Sir,

In acknowledging receipt of your Docket No 2236 Mugrai F. 53-08-2 dated 11th instant regarding the supply of Sandalwood to the Mugrai institutions in this District, I have the honour to state that the Annual supply of Sandalwood made from this District has been fully used up by the institutions concerned, and that taking into consideration the requirements of the several Institutions it is not possible to reduce the grants already made.

The budget allotment of Rs 925 to this District is made only with reference to the rates that prevailed nearly forty years ago. The quantities of Sandalwood allowed to the various institutions by the original Sanads and confirmed by the Inam Department were originally

reference requirements

for the regular performance of puja therein as already stated in my letter no 566/107 dated 30th June 1908, it was only the quantity of Sandal wood and not its value that was confirmed by the Inam Department in the case of each Institution. As the Institutions concerned naturally look to the grant of a fixed quantity of sandalwood just like a fixed money grant according to the terms of the grant and not to a quantity of sandalwood fluctuating according to the rates current in each year, I beg to submit the matter for reconsideration of Government and to recommend that, according to the terms of the grant, the Institutions concerned may be allowed to have the quantities of Sandalwood specified in the Sanads, the value of current rates being debited to the Mugrey Budget and credited to the Forest Department by book adjustment.

3. In this connection I beg to submit for consideration and orders of Government, a letter from the Agent of the Palimar Mutt at Udipi requesting the grant of 11 maunds/seer and 16 Tolas of Sandalwood, that fell short of the quantity allowed to Sri Krishna Devaru[illegible]

at Rs 6 per Candy in the supply received
by the Temple last year from this District, ac-
cording to the valuation made with reference to
the prevailing rates.

I have the honour to be,
Sir,
Your most obed't Servt

for Deputy Commissioner

SECTION Inam
FILE No.
CASE No.

Mr 17.8.11

May it please your Highness,

I am directed by His Holiness Sree Sukrutheendra Swamy of Sree Raghavendra Swamy Mutt of Nanjangud to bring the following for your Highness's gracious consideration.

2 The Mutt has not as yet received the usual annual supply of Sandalwood for the last six years although the Dewan Saheb was addressed with the marginally noted letters.

71 Dated 5th Nov 10
13 " 21st Dec 10
44 " 12th Feb 11.

3 The question now under consideration is whether cash payments instead of Sandalwood may not be allowed. I am directed to humbly protest against this proposal on the following grounds as precedent from time immemorial. The Swamy desires to receive the Sandalwood as usual and not payment in cash.

4 A similar question was raised during the late Commission days, when it was decided that the grant of Sandalwood allowances to Mutts and Temples etc should be conformed in kind in full and that Muzarai Rule 13 should be held in abeyance vide Secty's No 3746-270 dated 14th October 1872. A kind perusal of No 7 of the Precis of orders connected with the Inam enquiry will bear out our statement. These were presented to the Dewan Saheb vide letter No

No. 111.. Dated 12th Feb 1911. But no orders have yet been received. We do not by this mean to complain against the Dewan Saheb, but we beg, that early orders may be passed to the effect that the supply of Sandalwood (annually as usual and the arrears to the Mutt be granted ~~at once~~ without further Correspondence and thereby continue the charity which your Highnesses Predecessors were gracious enough to allow. Moreover this charity has been continued during the Commissariat days also. We also conclude that Her Holiness The Parakala Swamy has been receiving a grant of Sandalwood in Kind also to Nanjundeswara Temple at Nanjangud

5. For further particulars, and Sanad granted by your magnanimous Grandfather His Highness The Maharaja late Sree Krishnaraja Wodeyar Bahadour, and the orders passed during Commissariat days, I beg to submit the accompanying Copies of Correspondences for your Highnesses favourable Consideration —

I beg to remain.

Your Highnesses most humble and loyal Servant.

To.

T. Ananda Rao Esqre B.A. C.I.E.

Dewan of Mysore.

Sir, I am directed by His Holiness Sri Sukratindra Swamy of Sree Raghavendraswamy Mutt at Nanjangud to bring the following to your favourable consideration

2. During the reign of the late Sri. Krishna Raja Wodeyar Maharaja of Mysore -- it has been ordered that this Mutt should be supplied annually free of charge - four maunds of 4th and 5th class Sandal wood for the use of the Mutt vide His Highness's Sanad dated 6th Aug 1816. Copy of which is forwarded herewith for your perusal and reference.

This grant was continued by the late chief Commissioner in the Commissariat also A reference to the Chief-Commissioner's order. Dated 20th May 1844, No. 170, will prove that the grant was continued even when the Swamy was at Manbalacam - in British territory. Copy of the said orders enclosed for your perusal and reference.

3. A list of such free grants of Sandal wood to Mutts, Temples and other charitable institutions was approved and circulated for the guidance of the officers concerned from the late Chief-Commissioner's office.

The sandal Kobi or the Depot at's patam had general orders to supply the Mutts on due indent from the Mutt without further correspondence.

5. In the original form of Koti accounts a column of such free grants for Devastanams, Mutts and Chatrams etc was distinctly and separately shown

6. The above free grant was also confirmed by the Inam Department only in the form of wood and not as cash-payments.

7. Even after verdict on the above free grant was continued.

8. Subsequently no supply has been made for the last six years. Lately it is learnt that the forest conservator contemplates that the Mujarai Department should pay or give credit the price of such free grants. This proposal of his is opposed to the original Sanad, orders and precedent. The prices in each year must necessarily vary according to Market rates. The cost of such free grants, never appeared in the Mujarai Budget, nor did it ever come under the Mujari cash payments. The grant was only in the form of wood shown in the accounts separately. For revenue purposes the, The forest Department can take credit the nominal value of such free-grants

@ such marks as may exist
in the year in which it was issued, as
was done in the accounts previous to
rendition in the Commission days.
If this long-continued system is not
carried out now the numbers of the
charitable institutions in the province
would be put to great trouble.
Nor do we expect money grants from
Mujari Dept. All that we require is the
quantity of 1st class Sandalwood
fixed by the late chief Commissioner
to be issued without further unnecessary
correspondence or consideration
of the value there-of which is always
fluctuating.

9. A reference to the records of the Treasury
Depts of the Chief Commissioner's office and
the ~~The~~ Forest Dept. Koti accounts
would be as out the above facts.

10. Under the foregoing circumstances
I beg the favour of your referring to the
original records, list, etc above referred
and pass such orders to the supply of such
free grants of Sandalwood as your
earliest convenience and maintain
the Charity granted by the late Maharaja
Confirmed by the late, Chief, Commissioner
and continued by the late Maharaja
Sree Chamarajendra Wodeyar Bahadur.

I remain your
humble servant

Copy.

4. As the price of Sandalwood is now higher than what it was when the Cash Value shown in the last form was fixed and as the Institutions are given the quantities of Sandalwood to which they have been declared to be entitled by the Inam Department, the Budget allotment is exceeded.

5. In order to avoid this the Comptroller suggests

G.R.S. 27]

GENERAL AND REVENUE SECRETARIAT.

(*Continuation Sheet draft form.*)

that either the grant in kind should once for all be commuted into a Cash grant or the excess of the Cost over the Budget allotment should be adjusted out of the Savings of the Institutions, whether in the hands of Government or in the hands of Managers.

6. The Deputy Commr of the Shimoga District and the Muzrai Superintendent are of opinion that the quantity fixed ~~as stated~~ by the Inam Department should be delivered. The Muzrai Superintendent further adds that in the case of Institutions under Government Management, the excess of the Cost of the prescribed quantity over the Budget allotment may as directed in Government Orders No. 1165/R.7-112 dated 17th July 1877 be met from the Savings of such Institutions.

7. In the case of Institutions not managed by Govt which are shewn in the Margin, the Muzrai Superintendent says that adequate provision should be made in the Budget

1. Nanjanpad Math
2. Vyasaraya Math
3. ~~Uttaradi Math~~
4. Kudli Math
5. Kaipi Temple.
6. Satyadharmatirthi Math
7. Pedamani Ramachandrapur.

MGCPB—30,000—5-1-05.

to meet the excess of Cost. In the event of the Sanction of a fresh grant for the purpose not being possible, he suggests that the amounts allotted to the temples of Nanjanpud, Srikanteswara Swami at Nanjanaswami at Nelkote, Which did not Nanjanaswami at Devangapatam establish their rights at the Inam Settlement, Which were getting Sandal out of their Earnings and not out of a Special grant and Which are not in need of the quantity provided annually, may be cut down as Specified in the Margin and a Sum of Rs 200/ Made available for Meeting the excess in the Case of Institutions not under Government Management.

	From	To
Nanjanpud temple Rs	170	55
Devangapatam temple.	70	30
Melkote temple	69	29
	309	109

8. The Mysore Superintendent further recommends that in the Case of Institutions other than the Six referred to at the Commencement of the last para, the Cash grant for Sandalwood may be added on to the Cash Jamabandi and credited to the funds of the Institutions at the Commencement of each year and that the Sum of Rs 1080 for Supply of

Sandalwood to the Sirs Institutions may as a lump-sum be placed at his disposal for distribution among them

9. Government are pleased to approve of the Muzrai Superintendent's proposals. The Muzrai Superintendent will take needful steps ~~by~~ in March of each year to supply Sandal to the Several Institutions not under Government Management. Care should be taken to see that no funds lapse to Government at the end of a year without the Sandalwood due to these Institutions being supplied.

10. The arrears due to the Udipi temple and Vanjanpad Matt, in the Cases of which repeated representations have been received since the accrual of the arrears, will be delivered early and adjusted in accordance with the foregoing instructions. In making over to the Udipi temple Care should be taken to settle the claims of the Several Paryaya Swamis who were in charge of the temple. If they should have

MGCPB—30,000—5-1-05

purchased Sandalwood for use they may if they want be given the Cash Value of the Sandalwood they are entitled to.

To the Nanjangud Matt the Supply will be in Kind.

The Vyasaraya Matt may be given Sandalwood from the Current year.

11. The excess of Rs 13-12-0 in the Case of the Sri Raghavendra Swamin Matt of Nanjangud for the year 1905-06 and the excess amounts referred to in the letters of April 1907 from the Deputy Comr, Shimoga District will also be adjusted in accordance with the foregoing instructions.

GENERAL AND REVENUE SECRETARIAT.

(Continuation Sheet draft form.)

quantity of sandalwood specified in the Title-Deed may be granted to their Natts.

--ooOoo--

Order thereon, No.

The Inam Settlement of 1880 confirmed to the Muzrai Institutions, specified in list A, the grant in kind of sandalwood which they were enjoying under the authority of Sannads granted to them from time to time specifying the quality and quantity, ~~together with~~ in some cases the value ~~in~~ some cases, of the wood to be given. In addition to these, certain other Muzrai Institutions, specified in list B, which possessed no such Sannads but which were being supplied with sandalwood from the funds at their credit, appear also to have been included by the Comptroller in the list of Institutions entitled to the grant, though no authority is traceable for such inclusion. In order to meet these demands, a provision of Rs. 1430/- is being made in the Muzrai Budget every year since 1892, the said amount being calculated on the prevailing price of sandalwood at the time of the Settlement. ~~The~~ This allotment ~~of Rs. 1430/-~~ is being distributed among all the Institutions according to their established rules or requirements.

The price of sandalwood ~~however~~ having, however, risen considerably ~~during the period that has elapsed~~ since ~~the time when the allotment was fixed~~, it is found that the provision is inadequate for supplying the specified quantity of sandalwood to all the Institutions which actually possess Sannads for the grant. This has given rise to ~~several of the Institutions like~~ the Sri Raghavendraswami Matt and the Udapi temple complaining that the full quantity of sandal as per Sannads has not been supplied to them for several years.

2. The Government observe that the present arrangement is not quite satisfactory, as it has the effect of placing on a par, institutions with established claims for the free grant of sandalwood, and others which are not so entitled. To the latter class belong the institutions specified in list B, and the orders passed in connection with them at various times shew that the cost of sandalwood required by them was intended to be met from their cash grants or from their savings. The questions that have come up before Government in the letters read above have shewn the necessity of studying the defects in the existing arrangement and adopting a plan which is simple to work and at the same time, equitable

R.S. 27]

GENERAL AND REVENUE SECRETARIAT.

(*Continuation Sheet draft form.*)

to the institutions concerned. Accordingly, after careful consideration, the Government are pleased to direct that the full quantity of the wood contained at the Inam Settlement be supplied, in kind, only to those Institutions which are entitled to ~~them~~ it under Samuds Vis., the Institutions specified in list A. The sandalwood should be supplied to these Institution by the Forest Department which ~~enable~~ may take credit for the value thereof. This will obviate the necessity of making any fixed allotment in the Muzrai Budget as heretofore for the purpose of grant of sandalwood to Muzrai institutions.

Omit

3. The Institutions entered ~~for the purpose of grant of sandalwood to Muzrai Institutions~~, in list B which have no Samuds and have not established

4. The sandalwood required for the institutions in list A will be procured by the Muz dept from the Forest Dept at rates to be fixed by Govt. for 5 years at a time, the provision for the cost of sandalwood being made in the Muz budgets for each year.

Correspondence ending with letter No. 684/97 dated 23rd June 1909 from the Deputy Commissioner Shimoga District reporting upon the inadequacy of the Budget provision for the supply of sandal wood to the Muzrai Institutions in the Shimoga District.

2. Letter No. 88 dated 23rd August 1909 from the Deputy Commissioner Mysore District, regarding the supply of sandal wood to the several Muzrai Institutions in the District.

3. Arimukhas from the Swamigalavaru of the Sri Raghavendraswami and Sri Vyasaroyaswami Mutts requesting that the full quantity of sandal wood specified in the title Deed may be granted to their mutts.

Order thereon No. 929-40 Ex 2
Muz T. 157—06
Dated Bangalore 28th October 1911

The Inam settlement of 1880 confirmed to the Muzrai Institutions, specified in list A the grant in kind of sandal wood which they were enjoying under the authority of Sannads granted to them from time to time specifying the quality and quantity and in some cases the value of the wood to be given. In addition to these, certain other Muzrai Institutions, specified in list B which possessed no such Sannads but which were being supplied with sandal wood from the funds at their credit, appear also to have been included by th Comptroller in the list of Institutions entitled to the grant, though no authority is traceable for such inclusion. In order to meet these demands a provision of Rupees 1430 is being made in the Muzrai Budget every year since 1892, the said amount being calculated on the prevailing price of sandal wood at the time of the Settlement. This allotment is being distributed among all the Institutions according to their

established

established rights or their requirements. The price of sandal wood having, however, risen considerably since 1892 it is found that the provision is inadequate for supplying the specified quantity of sandalwood to all the Institutions which actually possess sannads for the grant. This has given rise to the Sri Raghavendraswami Mutt and the Udapi temple complaining that the full quantity of sandal as per sannads has not been supplied to them for several years.

2. The Government observe that the present arrangement is not quite satisfactory, as it has the effect of placing on a par Institutions with established claims for the free grant of sandalwood with others which are not so entitled. To the latter class belong the Institutions specified in list B, and the orders passed in connection with them at various times show that the cost of sandalwood required by them was intended to be met from their cash grants or from their savings. The questions that have come up before Government in the letters read above have shown the necessity of remedying the defect in the existing rule, and adopting a plan which is likely to work smoothly and be equitable to the Institutions concerned. Accordingly after careful consideration, the Government are pleased to direct that the full quantity of the wood confirmed to them in the settlement be supplied, in kind, only to those Institutions which are entitled to it under Sannads viz the Institutions specified in list A

3. The Institutions mentioned in list B which have no sannads and have not established any rights to free grants/ should be directed to purchase the sandalwood they require from their funds and no budget allotment is necessary to meet this charge in their case.

The sandalwood required for the Institutions in list A will be purchased by the Central Government from the Forest Department at rates to be fixed by Government for five years at a time

18/04/86

time due provision for the cost of such wood being made in the Musrai Budget as heretofore.

5. The arrears of sandal wood due to the Udapi Temple and Manjangud Mutt should be delivered early and adjusted in accordance with the foregoing instructions.

Proceedings of the Government of His Highness the Maharaja of Mysore, Muzrai, dated 28th October 1911.

READ—

Correspondence ending with letter No. 684—97, dated 23rd June 1909, from the Deputy Commissioner, Shimoga District, reporting upon the inadequacy of the budget provision for the supply of sandalwood to the Muzrai institutions in the Shimoga District.

2. Letter No. 88, dated 23rd August 1909, from the Deputy Commissioner, Mysore District, regarding the supply of sandalwood to the several Muzrai institutions in the district.

3. Srimukhas from the Swamigalavaru of the Sri Raghavendraswami and Sri Vyasarayaswami Matts requesting that the full quantity of sandalwood specified in the title-deed may be granted to their Matts.

No. 929-40—Muz. 157-06, DATED BANGALORE, 28TH OCTOBER 1911.

ORDER THEREON.—The Inam Settlement of 1880 confirmed to the Muzrai institutions specified in list A the grant in kind of sandalwood which they were enjoying under the authority of sannads granted to them from time to time specifying the quality and quantity and in some cases the value of the wood to be given. In addition to these, certain other Muzrai institutions, specified in list B, which possessed no such sannads but which were being supplied with sandalwood from the funds at their credit, appear also to have been included by the Comptroller in the list of institutions entitled to the grant, though no authority is traceable for such inclusion. In order to meet these demands, a provision of Rs. 1,430 is being made in the Muzrai Budget every year since 1892, the said amount being calculated on the prevailing price of sandalwood at the time of the Settlement. This allotment is being distributed among all the institutions according to their established rights or their requirements. The price of sandalwood having, however, risen considerably since 1892 it is found that the provision is inadequate for supplying the specified quantity of sandalwood to all the institutions which actually possess sannads for the grant. This has given rise to the Sri Raghavendraswami Matt and the Udipi temple complaining that the full quantity of sandal as per sannads has not been supplied to them for several years.

2. The Government observe that the present arrangement is not quite satisfactory, as it has the effect of placing on a par institutions with established claims for the free grant of sandalwood with others which are not so entitled. To the latter class belong the institutions specified in list B, and the orders passed in connection with them at various times show that the cost of sandalwood required by them was intended to be met from their cash grants or from their savings. The questions that have come up before Government in the letters read above have shown the necessity of remedying the defects in the existing arrangement and adopting a plan which is simple to work and at the same time equitable to the institutions concerned. Accordingly after careful consideration, the Government are pleased to direct that the full quantity of the wood confirmed at the Inam Settlement be supplied, *in kind*, only to those institutions which are entitled to it under sannads, *viz.*, the institutions specified in list A.

3. The institutions mentioned in list B, which have no sannads and have not established any rights to free grant, should be directed to purchase the sandalwood they require from their funds and no budget allotment is necessary to meet this charge in their case.

4. The sandalwood required for the institutions in list A will be purchased by the Muzrai Department from the Forest Department at rates to be fixed by Government for five years at a time, due provision for the cost of such wood being made in the Muzrai Budget as heretofore.

5. The arrears of sandalwood due to the Udapi temple and Nanjangud Matt should be delivered early and adjusted in accordance with the foregoing instructions.
